

2019

vol. 29, issue 4

problems of cryobiology and cryomedicine

contents

review articles

<i>Goltsev A.M., Bondarovykh M.O., Dubrava T.G., Babenko N.M., Gaevska Yu.O., Ostankov M.V., Buriak I.A.</i> Immunological Traits of Cryoablation in Combination Therapy of Cancer.....	297
<i>Chaikovskiy Y.B., Herashchenko S.B., Deltsova O.I.</i> Problems and Perspectives of Using Stem Cells of Cartilage Tissues.....	303

original contributions

theoretical and experimental cryobiology

<i>Aleksandrova D.I., Zemlianskykh N.G.</i> Impact of Ionic Composition of Cryoprotective Medium and Cryopreservation on Human Erythrocyte Sensitivity to Mechanical Stress.....	317
<i>Koval G.K., Lutsenko O.D., Grisha I.G., Sokil L.V., Bondarovykh M.O., Ostankov M.V., Yampolskaya K.Ye., Ostankova L.V., Goltsev A.M.</i> Impact of Lyophilisation on Integrity of Structural and Functional Characteristics of Human Cord Blood Leuconcentrate.....	332
<i>Novikova O.Yu., Sidorenko O.S., Bozhok G.A., Bondarenko T.P.</i> Cryopreservation Effect on Chromogranin A Expression in Neonatal Pig Adrenal Cell Culture	344

cryopreservation of biological resources

<i>Ali S.G., Bozhok G.A.</i> Cryopreservation of Multicellular Spheroids Derived from Primary Culture of Newborn Piglet Spinal Ganglion Cells.....	354
--	-----

short communications

<i>Lomako V.V.</i> Effect of Cryopreserved Cord Blood Nucleated Cells and Shift of Light-Dark Cycle on Erythrocytes of Rats of Different Age.....	365
---	-----

chronicle

In memoriam: Ihor I. Katkov.....	370
In memoriam: David Pegg.....	371

Key Word Index Vol. 29.....	376
Table of Contents Vol. 29.....	382
Instructions for Authors.....	387
